

MASTER'S PROGRAM IN CULTURAL AND EVENT PROJECT MANAGEMENT

Note on Delivery

Please note: This work-study program (alternance) is currently held exclusively in France and conducted entirely in the French language. The apprenticeship component requires securing a paid position with a partner company in France.

Objective: To train project managers specialized in the management of complex logistics projects.

Program:

► Operational Teaching:

- Project Management
- Customs (Customs Formalities)
- Trade (Commercial Aspects)
- Finance

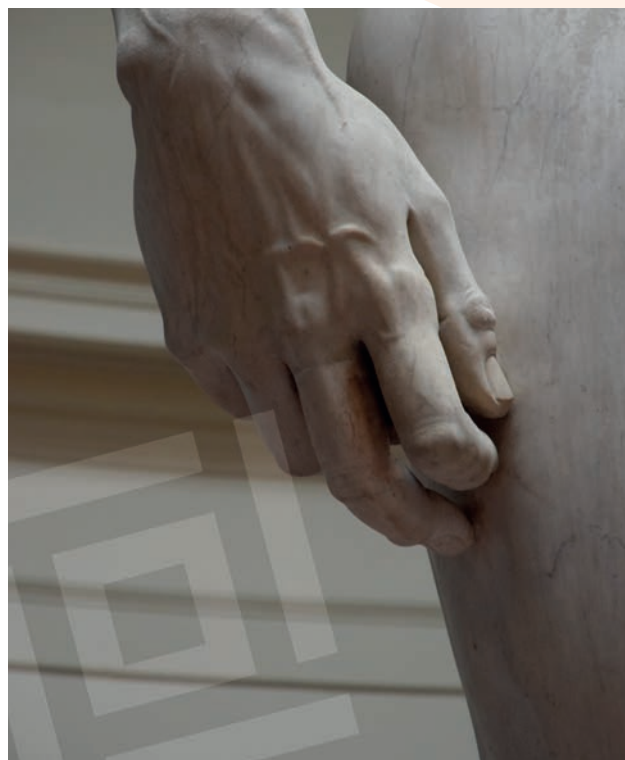

► General Education:

- Art History
- Sustainable Development
- Geopolitics

► **Project Work:** Individual projects or group projects based on concrete cases submitted by partner companies.

► **Private visits to cultural sites** (museums, art galleries, artists' studios, auction houses, etc.).

► **Duration:** 1 year
